Tammie,

Thank you for your call on Friday. I contacted the surveyor after we spoke. Later Friday evening, he sent a revised map (see attached) with his Arkansas stamp on it. However, he failed to add the elevation data. I have been unable to reach him today to get it corrected, but as soon as I do, I will send the revised map. I expect this can be accomplished in the next few days.

Please feel free to call me if you have any questions.

Regards,  
 Leslee
